Αρ. Εισαγ. ....

When you press'd your lips to mine,  
Yes, it's wise to com-pro-mise  
I was then I un-der-stand  
In such cas-es as this.

They taste like candy, brandy and wine,  
There's nothing worth the light in your eyes,  
Peaches, ba-na-nas and ev-ry thing good!  
What can compare with the thrill of your kiss?

I love jam and no flim flam  
Scotch an Rye are tops with me  
Scratch that off my list  
But I promise this

This ain't no jam, The jam can scam  
If you say so, - I'll drik ice-tea  
Ba-by! Come on an KNOCK ME A KISS!  
Ba-by, Come on an KNOCK ME A KISS!
